SUBJECTS • SUJETS

- A -

Aboriginal peoples

- Eighteen aboriginal students receive CMA bursaries (AG) 319
- My father's life (Porth) (NF) 637
- Native healing traditions must be protected and preserved for future generations (Borins) (NF) 1356

Un pédiatre de Winnipeg se prépare à assumer la présidence de l'AMC (Stewart) (IG) 461

Winnipeg pediatrician prepares to assume CMA presidency (Stewart) (NF) 459

Abortion

- Fetal tissue transplantation and abortion decisions: a survey of urban women (Martin and others) (OR) 545
- Greater abortion access needed, CARAL says (AG) 191
- HIV infection among women undergoing abortion in Montreal (Remis and others) (OR) 1271

Academic medical centres

- Barer and Stoddart revisit the issue of funding academic health centres (Harrison) (NF) 77

Academic medical centres

- University of Texas Health Science Center, Houston, Texas
- Funding not a problem at world's largest medical centre (Harrison) (NF) 78

Canadian Institute of Child Health

- Atlas shows disparities in hospitalization patterns (AG) 448
- Bleak data from the Canadian Institute of Child Health (O'Reilly) (NF) 1648
- Poster, TV spots target SIDS (AG) 1632

Academies and institutes

- Glaxo Heritage Research Institute
- People 1355
- Institut de recherches cliniques de Montréal
- People 1355

Accident prevention

- Comic book promotes bicycle safety (AG) 192
- Could changes in the wheelchair delivery system improve safety? (Kirby and others) (SA) 1585
- In-line skaters rolling into the ER (AG) 320

Accidents, traffic

- The courts, expert witnesses and fibromyalgia (Capen) (NF) 206
- Effect of unemployment on health: acknowledgement (Jin) (L) 1567
- The impact of unemployment on health: a review of the evidence (Jin and others) (SR) 529
- Ocular alkali burn associated with automobile air-bag activation (White and others) (Cas) 933
- Sleep apnea a risk factor for poor driving (Lertzman and others) (L) 1063
- Traffic fatalities hit 39-year low (AG) 72

Accreditation

- Entry process for IMG program defended (Provan) (L) 518
- Grant helps develop competency-based program (AG) 800
- Pain management now part of standards for care in cancer centres (Colton) (L) 741
- [reply] (Hagen and others) (L) 742

Acetylsalicylic acid See Aspirin

Acknowledgements

- Acknowledgement of scientific reviewers/Remerciements aux examinateurs scientifiques 945

ACMC See Association of Canadian Medical Colleges

Acquaintance rape See Sex offences

Acquired immunodeficiency syndrome

- AIDS networking in Canada, US (AG) 1772
- Delisting circumcision short sighted? (Zoberman) (L) 14
- HIV: evolution of a pandemic (Hankins) (E) 1613
- HIV infection among women undergoing abortion in Montreal (Remis and others) (OR) 1271
- Innovative HIV/AIDS program launched in Ottawa (Martin) (NF) 1352
